CHC43315 - Certificate IV in Mental Health (Release 3)

Start training in CHC43315 Certificate IV in Mental Health!

The CHC43315 Certificate IV in Mental Health qualification is the latest nationally accredited qualification that provides you with the skills and knowledge required to provide self-directed recovery oriented support for people affected by mental illness and psychiatric disability. Work involves implementing community based programs and activities focusing on mental health, mental illness and psychiatric disability.

This qualification will help you learn how to work with diverse people, provide recovery oriented

mental health services, and work effectively in trauma informed care.

MSM Training Group offers the nationally recognised CHC43315 Certificate IV in Mental Health qualification with high quality course materials and premier student support to deliver a unique learning experience.

MSM Training Group will deliver training that is customised to meet student, industry and where relevant, employer needs in line with the delivery strategy for the qualification.

When you enrol in our courses, you will study under expert trainers with decades of experience in the industry. So what are you waiting for? Enrol now!

Perfect for learners who wants to become:

- Community Rehabilitation Worker
- Outreach Officer
- Mental Health Outreach Worker
- Assistant Community Services Worker

MSM TRAINING GROUP ■■■

Course Outline and Structure

Course Resources

To support you in your training with MSM Training Group, we will provide:

- CHC43315 Certificate IV in Mental Health learning and assessment suite which includes:
 - Learner Guides
 - Assessment Workbooks
 - Templates for Projects and other activities;
 - Simulated resources to provide students with simulated assessment pathways (not applicable to all assessment tasks specially those to be done during vocation placement)
- Additional course readings and resources recommended by trainers.

Vocational placement providers must allow access to:

- Vocational workplace supervisor(s) to supervise and confirm completion of the required tasks included in the Skills Workbook. The workplace supervisor must:
 - Have adequate knowledge and understanding of the provision of aged care and disability support
 - Have the ability to supervise and manage aged care and disability support services effectively
 - Have the necessary experience and qualification(s) in the area of mental health (e.g., you have the relevant VET qualification/s, Certificate IV in Mental Health or higher)

- Use of suitable facilities equipment and resources relevant, including:
 - Current legislation, regulations and codes of practice, including for WHS
 - Organisational policies and procedures, including for WHS
 - Modelling of industry operating conditions and contingencies, including:
 - * presence of problem solving activities
 - * interactions with people from a range of diverse backgrounds
 - * links to other services
 - * realistic, in-depth validated industry scenarios and simulations of crisis situations
 - PPE relevant to the workplace and job role of the worker
 - Placebo medication, administration equipment, charts and documentation
 - Individualised plan
- Use of simulations and scenarios where the full range of contexts and situations have not been provided in the workplace to assess the candidates' skills and knowledge

Students to arrange access to:

- Computer/laptop with relevant software such as, but not limited to, the following:
 - internet access preferably through Google Chrome
 - MS Word and PowerPoint
 - Adobe Acrobat Reader

Course Outline and Structure

Mandatory Vocational Placement:

Learners are required to undertake at least 80 hours of vocational placement within a registered and approved community services provider, during which they will complete their

practical assessments. This must occur after the student has satisfactorily completed all the other units/subjects in this qualification.

Learners have the option to:

- Source their own Vocational Placement providers (MSM Training Group to check suitability) or
- Have MSM Training Group assist them in arranging Vocational Placement providers near their area

MSM Training Group will continuously look for and form partnerships with Aged Care providers in NSW and in other states in the future.

MSM Training Group will provide learners with a Vocational Placement Pack that outlines all the requirements for finding a suitable Vocational Placement provider that will facilitate the required workplace assessments and allow the learner to complete the required vocational placement hours.

Learners are recommended to initiate contact with potential vocational placement providers as soon as enrolment is confirmed to allow sufficient time for MSM Training Group to confirm the workplace's safety and suitability.

Is Recognition of Prior Learning (RPL) available?

MSM Training Group has a Recognition of Prior Learning (RPL) Policy, to ensure that an individual's prior learning, achieved through formal and informal training, work experience or other life experiences, is appropriately recognised. This recognition may assist Learners to progress faster through a unit of competency or allow the student full credit.

What are the qualification pathways after taking the course?

Students enrolled in this course may also choose to study other courses that will support them in their community service skills. Other options available for students may include the following qualifications:

- **CHC43515 Certificate IV in Mental Health Peer Work***
- **CHC53315 Diploma of Mental Health***
- **CHC52021 Diploma of Community Services**
- **TAE40122 Certificate IV in Training and Assessment***

**These units/courses are not offered by MSM Training Group*
